# JOB OFFER LETTER

**To:**
**Lav Pandey**

AUGUST 14, 2026

**Subject: Offer of Employment for the Position of Technical Team Head**

**Dear Lav Pandey,**
We are pleased to offer you the position of Technical Team Head at Veltora IT Solutions. We are excited to have you join our growing technical team and believe that your technical knowledge, development skills, problem-solving abilities, and leadership potential will contribute significantly to the success of our organization.
This opportunity is intended to provide you with valuable industry experience while allowing you to lead technical development initiatives, coordinate development activities, maintain technical standards, and contribute to the growth of our startup.
Your engagement with Veltora IT Solutions will commence on 14/08/2026, subject to the successful completion of joining formalities and submission of the required documents.

## Employment Details

Position: Technical Team Head
Department: Technology & Development
Reporting To: Mariyam Siddiqui, Design Head & Chief Operating Officer (COO)
Work Location: Remote / Hybrid
Employment Type: Project-Based Engagement

## Compensation

As Veltora IT Solutions is an early-stage startup, this position is offered primarily to provide practical industry experience and exposure to real-world business operations.
At present, there is no fixed monthly salary or Cost to Company (CTC) associated with this role.
Compensation, if applicable, shall be provided only on a project basis, depending upon:

- Availability of client projects.
- Nature and scope of work assigned.
- Individual performance and contribution.
- Company's financial position and project revenue.

The Company does not guarantee regular, monthly, or fixed compensation, and payments may vary from one project to another. By accepting this offer, you acknowledge and agree to these terms.

## Roles & Responsibilities

As the Technical Team Head, your responsibilities will include:

1. Leading and coordinating the technical development team.
2. Planning and overseeing the development of web and software projects.
3. Guiding team members in frontend and backend development.
4. Working with technologies including JavaScript, React.js, Node.js, Express.js, Python and related frameworks as required by projects.
5. Designing and reviewing APIs and ensuring proper frontend-backend integration.
6. Using tools such as Postman for API testing and validation.
7. Reviewing code and ensuring adherence to development standards, security practices, and maintainable coding principles.
8. Assigning technical tasks and coordinating project development activities.
9. Monitoring project progress, timelines, and technical deliverables.
10. Identifying and resolving technical issues and development bottlenecks.
11. Collaborating with other teams and members to ensure smooth project execution.
12. Maintaining technical documentation wherever required.
13. Supporting technical decision-making and recommending appropriate technologies and development approaches.
14. Ensuring quality standards are maintained across technical deliverables.
15. Contributing to innovation, productivity, and continuous improvement within the organization.
16. Assisting the Founder in technical planning and strategic technology decisions.

## Working Hours

The expected working schedule is up to 9 hours per day, including applicable breaks. However, as this is a project-based engagement, working hours may vary depending on project requirements and mutual agreement.

## Confidentiality

During your association with Veltora IT Solutions, you may have access to confidential information relating to the company's business operations, clients, source code, software architecture, products, strategies, databases, credentials, intellectual property, and other technical information.
You agree to maintain strict confidentiality of all such information during and after your engagement and shall not disclose, share, reproduce, or misuse any confidential information with any third party without prior written permission from the Company.

## Code of Conduct

You are expected to:

- Maintain professionalism and integrity at all times.
- Treat clients and colleagues respectfully.
- Complete assigned tasks responsibly.
- Protect company assets and confidential information.
- Follow all company policies and ethical standards.

Failure to comply with these standards may result in termination of this engagement.

## Termination

Either party may terminate this engagement by providing 15 days' written notice. The Company also reserves the right to terminate the engagement immediately in cases of misconduct, breach of confidentiality, or violation of company policies.

## Documents Required on Joining

Please submit self-attested copies of the following:

- Aadhaar Card
- PAN Card
- Passport-size Photograph
- Educational Certificates
- Updated Resume
- Address Proof
- Bank Account Details (if applicable)
- Any additional documents requested by HR

## Acceptance of Offer

Kindly sign and return a copy of this letter as your acceptance of the terms and conditions mentioned herein on or before 02/07/2026.

We are delighted to welcome you to Veltora IT Solutions. We hope this opportunity helps you gain valuable professional experience while contributing to the growth of our organization. We look forward to a successful and rewarding association.

We wish you every success in your journey with us.

Sincerely,
For Veltora IT Solutions

Authorized Signatory
